

PARADISE

1980

A stylized graphic featuring a five-pointed star at the top center. From the base of the star, several parallel lines radiate downwards, creating a conical shape that frames the word "PARADISE". The word is rendered in a bold, blocky, sans-serif font. Below "PARADISE", the year "1980" is written in a similar bold, blocky font. The entire design is set against a dark blue background decorated with white stars and a crescent moon.

Betty Weber

I feel it is a great honor to have been chosen to write the introduction to the 1980 edition of our yearbook, **The Orion**. I was given the suggestion of using the topic "Space" as my subject, a very prominent subject of today.

I could write a philosophical bit about the origin of Orion, or I could concentrate on the space cadets found in our school - those loveable, airheaded people who tickle us with irritation. I choose neither one.

It is indeed a privilege to be graduating in the year nineteen eighty - a new decade (decade is one of those words that fits in with galaxy and universe). The sixties were years of racial, social, and emotional recognition. People were coming to terms with each other, first through riots, then through resolve.

What will the eighties hold in store? First, and most important, the graduation of my classmates. Thirty percent of us may break a leg before we take a step; the rest will possibly take off like rockets, all in our own directions, all heading to our own stars of success. Regardless of what the future holds (or should I say, what we can put into our future's hand), we acknowledge that we have learned from our "cosmic" experience in school, jetting through the halls, being flown even faster to the office by teachers whose mouths seem to be powered by retro rockets, or facing the real world in P.O.D. class with earnest sincerity.

The constellation Orion shines on night after night forever. Let us find our own special star in our skies and light the world with our achievements. Remember . . . "You're a shining star, no matter where you are."

DAUGHTERS OF THE AMERICAN REVOLUTION

AMY
J.
GODSHALL

The Daughters of the American Revolution Good Citizens Award is open to boys and girls in the senior class. The person chosen must possess to an outstanding degree the following four qualities:

1. Dependability- truthfulness, loyalty, punctuality
2. Service- co-operation, courtesy, consideration
3. Leadership- personality, self-control, responsibility
4. Patriotism- devotion to family, church, school community, and nation

The award is not a popularity contest, but is based on merit alone. By a secret ballot the members of the senior class voted for three classmates who best exemplified the four characteristics mentioned above. Then the faculty members selected the winner. This year's recipient was Amy Godshall. Congratulations, Amy.

Amy poses with Senior Class Pres., Bernie Hanyok.

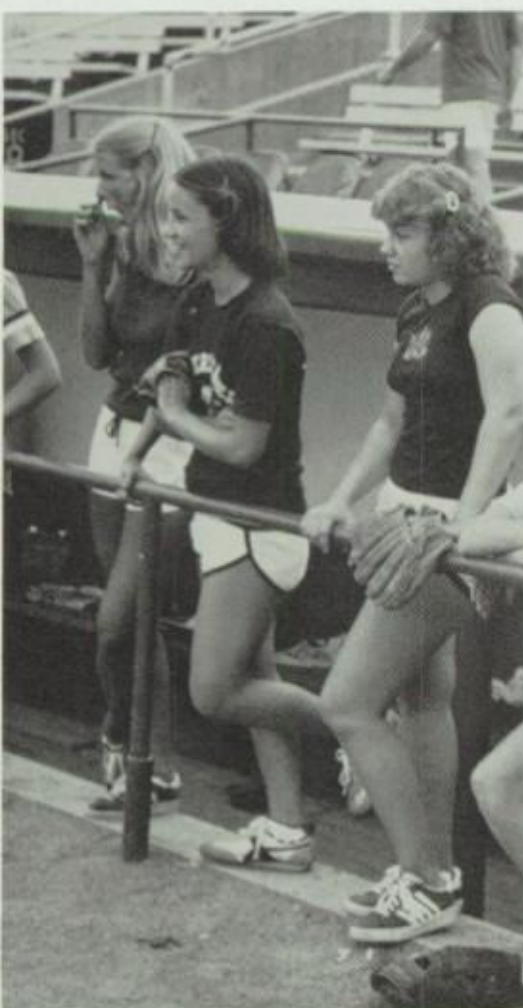

Here, Amy is shown with future valedictorian, Laura Button in 9th grade.

JUNIOR MISS

DEBBIE BASILE

As Junior Miss, Debby participated in many activities including a swimming party, dance routines, a softball game, and miniature golfing. In addition to having fun, a lot of preparation went into representing Daniel Boone at the Junior Miss Pageant. Debby spent endless hours practicing the Music Box Dancer on the piano, and she dedicated many Sunday afternoons to completing her presentation. Debby enjoyed the experience of being chosen as Boone's Junior Miss, and it gave her a great opportunity to meet girls from other schools.

1980 COMMENCEMENT

The twenty-fourth annual commencement exercises were held on June 13, 1980 in the Daniel Boone auditorium. Friday the 13th may be an ominous day to start a new phase of life, but perhaps it represented the twelve years of school they all had to go through.

The Honorable Gus Yatron, member of the U.S. House of Representatives was the guest speaker. He wished the class of '80 luck in their future endeavors.

Above, the service is almost over. Below, Kay, Tina, and Lynn look a bit nervous.

A black and white advertisement for 'GRADES'. The central focus is a large, stylized pyramid shape composed of the word 'GRADES' repeated many times in a bold, sans-serif font. The pyramid is set against a dark background with a starburst effect on the left and a bright light source on the right. The word 'GRADES' is repeated in a way that creates a sense of depth and perspective, with the letters appearing to recede into the distance. The overall composition is minimalist and modern, emphasizing the brand name through repetition and geometric form.

The 1979 Cross Country team under new head coach, Donald Weaver, had a winning season with a record of 7-3. Ted Graefe, a junior, was named to the All-Section team during the season. Had team captain, Bernie Hanyok, not been injured during the Twin Valley meet, he would also have been named to the team. Losing only three seniors (Bernie Hanyok, Bill Fritz, and Tony Kline), next year's team should be a top contender for the Section II Championship.

The 1979 Field Hockey team, coached by Mrs. Jean Finkbiner, ended their season with a 5-7 league record (8-8 overall). Although the girls didn't do as well as anticipated, they worked hard and made the top contenders work ever harder. Team captain Julie Hadley and co-captain Page Lutz were selected to the Berks County Hockey All-Star team and led the team in goals and assists. Losing eight seniors to graduation (Julie Hadley, Page Lutz, Lori Marison, Cathy Dantas, Debbie Ferguson, Michele Ludwig, Karen Pellicciotti, and Kim Oxenford), next year's team will have their work cut out for them.

JUNIOR VARSITY FOOTBALL

The 1979 J.V. Football season was one of great success under the leadership of coaches Vignone, Mauck, and Jacobs. The team's over-all record was 5-3, overwhelming last year's record of 0-8. This J.V. team turned in the best record of the decade. Two highlights of the season were Chris Zuber's 52 points on the year and a 16-6 victory over Pottsgrove, the 1978 Chest-mont League champs.

The 1979 football season was the best season Daniel Boone has had in a while. They ended the year with a record of 4-6-1. It was great for the team and spectators to play on their own home field. The seniors would like to wish the best of luck to all the under-class football players and to coach Booth.

The 1979 Football Cheerleading squad had a change of scenery this year. Miss Donna Oxenford became the new advisor. The girls worked hard and put out 100% of themselves to help support the football team. The cheerleaders held pep rallies, bonfires, and the annual pancake breakfast before the Exeter game. The seniors this year were Kendra Sutton, Diane Crocker, Sharon Breitenstein, Tammy Tucci, Jane Boyer, Debbie Mullin, and captain Debbie Basile. Losing more than half of the squad to graduation, the 1980 squad will have many holes to fill.

The girls aren't losing any seniors so they have an advantage over the boys who will lose Robert Kocur, Ken Long, Tony Kline, and Ross McEwen to graduation. Tony Kline was the boys' high scorer and Eric Dragon had the highest average this year. Liz Martin was high scorer, and Tammy Schaeffer had the highest average for the girls.

This year's varsity team, led by captain, Page Lutz, had a remarkable season. They had an over-all record of 21-6 (14-4 in the league), and in addition to this outstanding record, they began the season with 7 straight wins.

A great aspect to the '79-'80 team was Page Lutz. She broke the scoring record held by Mitzi Reitnauer of Oley Valley which now gives her the honor of holding Berks County's all-time scoring record. She ended her high school career with 1,899 points.

The Blazers ended their season by defeating Conrad Weiser in the District Play-offs. Although they were beaten in the second round by second seeded York Catholic, they never gave in.

They were the first Section II team to play Reading High for the Berks County Crown. The team was led by senior tri-captains Emil Washko, Don Uhrig, and Keith Krick. Emil was the school's first player to top 1,000 points. Don and Keith finished in the top ten of the all-time Daniel Boone rebounding list. The Girls' Track Team really worked hard this year, and even though we didn't have a winning season we had lots of fun with Coach Schneider. We wish her the best of luck in the future. Graduating seniors are Laura Button and co-captains Kim Oxenford and Lori Turner. Losing only three seniors we should see a lot of improvement next year.

DANIEL BOONE

The 1979-80 edition of the Daniel Boone Marching Band, under the direction of Gary Troxell and field direction of Kurt Bauder, attended various competitions and parades.

The dedication and determination of the band and band front members showed itself whenever the Blazer Band marched on to the field.

The Bandfront proved its skill and accuracy by placing first at the Lancaster King Frost Parade.

The future appears to be a bright one for the Daniel Boone Blazer Marching Band and Front, but they will be losing Amy Godshall, Bobby Wendel, Gary Weidner, Beth Peiffer, Pat DeWald, Diane Kreiger, Patti Norrls, and Lori Turner to graduation.

STAGE CREW AND A.V. AIDES

(l to r) Scott Gehman, Mike Sowers, Joe Mauger, Paul Mackewicz, Dave Nyers, Ralph Bascelli, Steve Bilski

The stage crew is an organization that isn't very well known throughout the school. The crew is made up mostly of seniors, all of whom have been close freinds for the past several years. The duties of the crew are varied and they range from preparing the sets for the class play to setting up the seats for graduation. They are in charge of taking care of the stage, lighting, and the sound systems in the auditorium and the audio visual aides throughout the school. The crew does not receive the respect the they deserve. If the crew grows maybe, next year they will gain the recognition they deserve.

STUDENT COUNCIL

Over the years Student Council has been the government organization of the student body. Student Council tries to improve school spirit, improve school morale and develop a better system of communication between the administration and students. Student Council helps out many organizations, sponsors, dances, runs the student store, and snack bar and participates in other activities. This year Student Council had its ups and downs, with very low attendance. Student Council needs the student input and ideas to make it function properly. Let your student council work with you and for you.

This year the society inducted a select group of new members at our annual induction dinner. At this dinner, the students were honored for their academic excellence. The officers this year each gave a speech on the four characteristics of a N.H.S. member, which are leadership, character, scholarship, and service. Our officers this year were Laura Button (president), Patty Nowatarski (secretary), Debbie Ferguson (treasurer), and Cindy Rapp (vice-president).

A summer planning meeting.

"Space" was the theme of this years **Orion** and Tracy Jackson explained its meaning in the introduction. We used pictures from the National Aeronautics and Space Administration and computer lettering to incorporate this theme throughout the book.

As you know this yearbook, like last year's, does not contain a supplement. This means that we receive some of our pictures after the school year, and makes the summer full of long hours of hard work. I'd like to thank Beth and Sherry for helping out during the summer.

This year the newspaper staff had a new advisor, Mrs. Reiter. We also changed the name from "Etc." to "Spotlight on D.B." Even though we only puy out three editions, we all worked hard to make each edition good. Our job, was made more difficult due to the small number of interested students. Hopefully, next year there will be a larger number of students actively involved who will turn out a larger number of papers.

THE DIARY OF ANNE FRANK

The cast

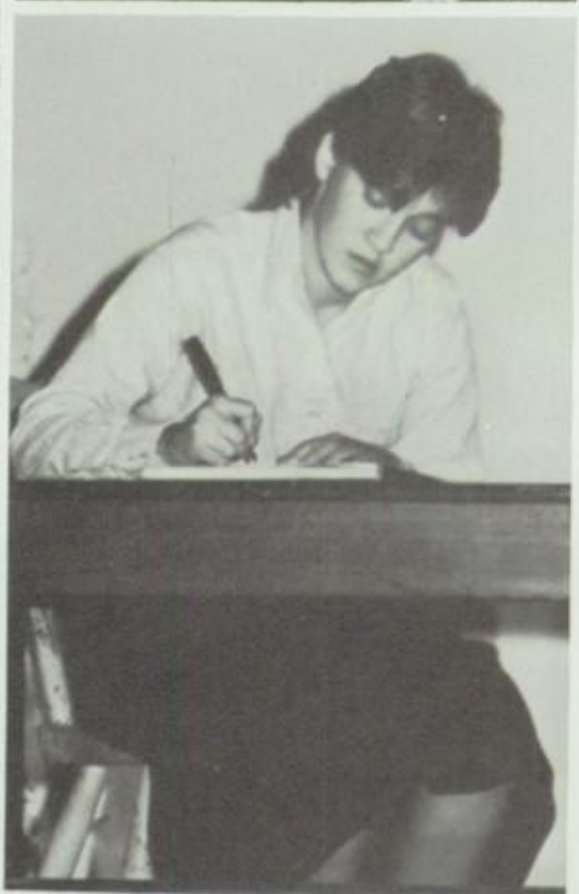

"The Diary of Anne Frank is based on the actual diary of a 13 year old girl during W.W.II.

Two different casts performed this play: one on Friday, November 15, and the other on Saturday, November 16. In addition, each cast performed one assembly for the school.

The cast members put in many long hours of practicing for these performances, and it was appreciated by the school and community.

Drama club is composed of students in grades seven through twelve who are interested in acting. This year Drama Club produced the play, "Magic Theatre". It was performed for a variety of audiences, including elementary and college students. "Magic Theatre" gave the club members a chance to apply mime and make-up and perform on a child's level. Members of the club appreciated the fine direction of Mrs. Mary Johnson.

This year the French Club explored many cultural aspects of France. We played boules, a popular French game, and we cooked and tasted many different kinds of foods, such as guiche, French chocolate silk pie, cripes, and beignets. We had a picnic at our last meeting in which we elected officers for the next year and sampled various cheeses, such as boursin, camembert, port du salut, gourmandise, French bread, pastries, and Perrier water. One of the main highlights of the year was the trip to Washington D.C. which we visited the national Gallery to see Impressionist paintings, the Smithsonian, the Capitol, and the White House.

The officers of French Club were President: Cindy Rapp, Vice-President: Laura Button, Secretary: Joni Baer, and Treasurer: Janet Schulze.
